

In response, applicant includes 22 and 23 in order to rectify the failure to specifically identify claimed matter in claims 3 and 17.

**In the Specification:**

The Examiner objected to disclosure because on page 17, line 5, the symbols in the formula should be defined.

In response, Applicant amends the specification accordingly as shown in the attached clean and marked versions of the replacement paragraph, to remove the applicable formula.

The Examiner also objected to the disclosure because on page 18, line 5, "1.73" should be "1.73."

In response, Applicant amends the specification accordingly as shown in the attached clean and marked versions of the replacement paragraph.

**In the Claims:**

Please cancel Claim 18.

***Remarks***

In the Office Action, the Examiner noted that claims 1-19 are pending in the application and that claims 1-19 are rejected. By this amendment, applicant has cancelled claim 18. Thus, claims 1-17, 19 are pending in the application.

***Objection to Claims***

The Examiner objected to claim 2 because the phrase "37mm-65mm" in line 2 should have spacing between the quantity and the unit and should be written as 37 mm to 65 mm."
